# BMW INSURED WARRANTY.

COVERING YOU AGAINST THE UNEXPECTED COST OF REPAIRS AND REPLACEMENT PARTS AT THE END OF YOUR WARRANTY.

If the warranty on your new or Approved Used BMW is coming to an end, BMW Insured Warranty can help to protect you against the unexpected cost of repairs and replacement parts.

With a choice of cover levels and a range of options, including the option to add BMW Roadside Assistance, you can tailor your BMW warranty protection to your own individual needs\*.

BMW INSURED WARRANTY OFFERS A CHOICE OF THREE LEVELS OF COVER:

**Comprehensive:** our highest level of protection covering the majority of your vehicle's factory-fitted mechanical and electrical components against defects. Failure of covered components for wear and tear is also included up to 160,000 km from the date of your BMW's first registration\*\*.

**Named Component:** mechanical and electrical breakdown cover for a wide range of your vehicle's components, including braking system, casings, cooling system, electrical system, engine, fuel system and gearbox\*\*.

**DriveLine:** the basic level of warranty, covering the main engine, transmission and drive-train components. DriveLine cover is available on all vehicles, regardless of mileage^.

You can choose to include an excess with your Insured Warranty policy of €0 €135 or €335.

Terms, conditions and exclusions apply.

\*Vehicles must be serviced in accordance with the manufacturer's recommendations and genuine parts, or parts of equivalent specification must be used.

\*\*The maximum claim limit is the purchase price paid for the vehicle (inclusive of VAT). Available on BMW's with up to 160,000 km.

^DriveLine has a claim limit of €6,700 (inclusive of VAT).
